Kettal Maia

Design Patricia Urquiola

Like an architecture that is in keeping with its surroundings, the Kettal Maia collection designed by Patricia Urquiola has a natural lightness and elegance. The design of the artisan braiding, the sturdiness of the aluminium frame and the new Porotex and chenille fabric collection create a combination that oozes energy. The collection was hailed as one of the most representative designs of our century by Javier Mariscal at Bombay Sapphire.

The Kettal Maia rotating daybed, swing and deck chair are unique pieces that help you make the most of and add style to any outdoor space.
